

## タガログ語・英語

- ①アプリストアで、デンタツくんアプリをインストール
  - ②アプリを立ち上げ、「ログイン」をタップ
  - ③アプリ内でカメラが立ち上がるので QR コードを読み取り、初期パスワードを入力
- 初期パスワードは1回しか使えません。 2台目以降で利用する場合は、ログイン済スマホの「設定（右下の歯車）->アカウント管理->端末を追加」で追加できます。

- ① I-install ang Dentatsu-kun app mula sa app store
  - ② Down load ang app at i-tap ang "Login"
  - ③ Dahil ilulunsad ang camera sa app, basahin ang QR code, Ipasok ang paunang password
- Ang paunang password ay maaari lamang gamitin nang isang beses. Kung gusto mong gamitin ito sa pangalawa o mas bagong device, maaari mo itong idagdag sa pamamagitan ng "Mga Setting (gear sa kanang ibaba) -> Pamamahala ng account -> Magdagdag ng device" sa naka-log-in na smartphone.

- ① Install the Dentatsu-kun app from the app store
  - ② Down load the app and tap "Login"
  - ③ Since the camera will be launched in the app, read the QR code, Enter initial password
- The initial password can only be used once. If you want to use it on the second or later device, you can add it by "Settings (gear in the lower right) -> Account management -> Add device" on the logged-in smartphone.
